

Join your first and second grade teachers this summer to build your mind and body...

*Blessed Sacrament's Own
Academic Bridge and
Athletics Summer Camp*

This camp is available for all graduating Kindergarten, First and Second grade children. *Many of your first and second grade teachers* will be organizing engaging activities for the children each day at Blessed Sacrament. It will be a great way for children to bridge the summer months, build academic skills, and have fun with their school friends over the summer.

Each week will include:

An intensive morning of academic enrichment focusing on Language Arts and Math skills. This will enhance skills over the summer months and challenge students before they move on to the next grade. For students struggling at the end of the year, we will offer intense instruction to bridge them to the next grade. For those looking for a challenge, we will have interactive activities to further stimulate their academic development. This program will focus on hands-on instruction and engaging centers in order to keep children interested and motivated in a fun learning environment.

Amidst academic enrichment the children will have an opportunity to enhance their creativity through different arts and crafts projects.

The afternoons will allow students to develop social and athletic skills. Each week we will introduce the children to a different sport. We will have athletes from various High Schools around the area to help introduce the students to various sports, including basketball, baseball/softball, soccer and lacrosse. This will allow them to develop and refine their skills as they practice drills, learn techniques and play games.

Snack will be provided each day for the children but we are asking that they bring a lunch due to dietary and allergy concerns.

Dates and Cost

- We will have two sessions for the camp. Session I runs from June 21st- July 2nd and Session II will run from August 2nd- August 13th.
- The camp will run Monday through Friday from 9 a.m.-3 p.m.
- The cost for each week is \$225.00. This includes all materials and supplies for the week. If you choose to attend a full session the cost will be \$400.00 for the two weeks.
- A security deposit of \$100.00 is due with registration.
- Registration and deposit are due by March 31st, 2010. Please send the attached form in to your child's teacher or drop off at the main office.
