

2022 Summer Math and Grammar Assignment

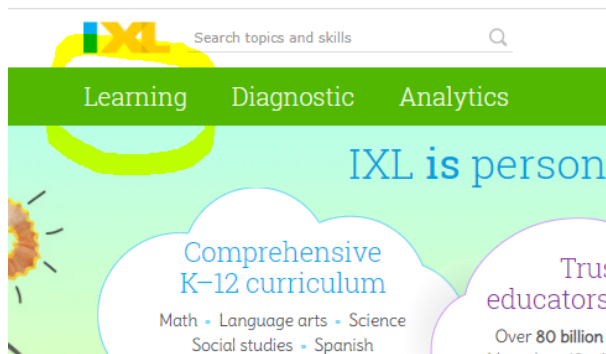

Dear Blessed Sacrament Rising 6th, 7th, and 8th Grader,

Summer is upon us again. Studies show that children need reinforcement of learned skills over the summer. The summer assignment is 20 math skills from the “SUMMER BOOST SKILLS PLAN” located in your ixl.com account. You may work at your own pace, but the preferred method is to practice a little each day. There is no need to keep a paper record of your ixl.com practice. Your teacher has access to your progress.

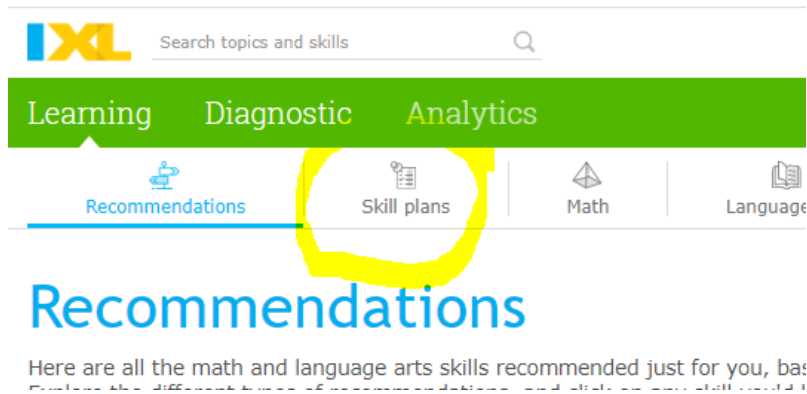

This assignment will be your first graded math assignment for the 2022-23 school year. If you are unable to complete this assignment due to summer plans, you **MUST** have a parent communicate with the school. An alternate assignment will be given.

How to Access you Summer Assignment:

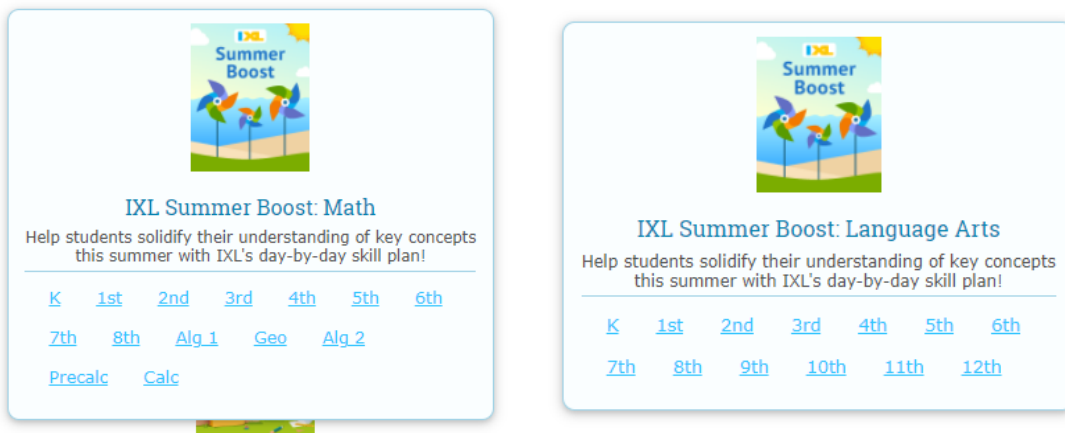

1. Go to <https://www.IXL.com>
2. Enter your username and password in the upper right corner and click the button to sign in.
3. From the home page, click on the “LEARNING” tab.

4. From the “Learning” tab, click on “SKILL PLANS.”

5. From the Skill Plans, Select “IXL SUMMER BOOST: MATH” or “IXL SUMMER BOOST: LANGUAGE ARTS.” Select the grade you will be entering **NEXT SCHOOL YEAR**. (For example, students who just finished 7th grade should select 8th grade.)

6. During the summer, complete each of the skills with a Smartscore of 80 or higher. If you already have a Smartscore for one of the sections, complete 10 practice problems to receive credit for the section.

I hope you will use IXL regularly this summer and I look forward to seeing you in the fall!

Sincerely,

Blessed Sacramento Middle School Language Arts and Math Teachers

Laura Feters, Cathy Lincoln , Sabrina Vu

Chris Kelly, Keith MacKinnon, Aileen Shaffer
