

Summer Reading

Reading is the best way to continue to expand your knowledge, grow your vocabulary, and experience an adventure over the summer. Students will need to read two books and complete two learning activities. **These readings and learning activities will be due on the first day of school 2022.**

*Which books did you read? (One must be *The Breadwinner* and one is a choice book).*

Book 1: _____ by _____

Book 2: _____ by _____

Learning Activity One: After completing the two books: ***The Breadwinner*** and your choice read, compare and contrast an element of the book.

Write a letter (using the letter format—*Dear Future ELA Teacher,*) to your teacher. Give a **brief summary** (6-8 sentences) of **each** book at the beginning of the letter, and then, *comparing and contrasting* on **two** of the following in the **body of the letter**:

- A specific character from each book: describe each character—explain how the characters are similar and different from one another, especially referring to their actions, words, and/or their ultimate, outcome at the end of the book.
- A theme from each book: explain the key message from each book—describe how these messages (themes) are similar or different and how they can be applied to your world. Ideas of themes found in literature: Perseverance, Growing Up, Innocence, Optimism, Survival, Justice.
- A key event during the plot from each book, explain an event from each text and share the characters' actions along with the overall impact this event has on the storyline. Compare and contrast this event to another key event in your second book.

End the letter with how this book has changed you. How and why are you different after completing the book? Then, don't forget to sign off on your letter!

Character Autopsy

1. On two 8.5x11 inch pieces of paper, draw a picture of one character from *The Breadwinner* and one character from your choice read.
2. Complete a character autopsy for each character using the example below.
3. Write at least 4-5 complete sentences per box.
4. Make sure your drawings are colorful and detailed.

EXAMPLE of AUTOPSY is ON FOLLOWING PAGE.
